Medicare Prescription Drug Card – Train the Trainer
 Sponsored by an Education Grant from Pfizer, Inc.

Date:

Purpose/Goal of this activity: The aim of this session is to provide information and tools to clinical trainers in VNAs on the Medicare Prescription Drug Card. This will facilitate the educating of all critical VNA clinicians giving them the capability to assist their patients and their families to make informed decisions.

Rating Scale: 1 = Poor, 2 = Fair, 3 = Good, 4 = Excellent

<i>At the completion of this program, I am able to:</i>	Poor	Fair	Good	Excellent
Objective #1: Describe ‘key concepts’ of the new Medicare Prescription Drug Card.				
Objective #2: Explain the \$600 drug subsidy for low-income beneficiaries to clinical staff.				
Objective #3: Discuss the selection of a drug card, where to get more information and how to actually enroll.				
Objective #4: Describe how “the Medicare Drug Card” works, what to do about a complaint and potential fraudulent activities.				

<i>Evaluation of Presenter: KathyThompson, VP Legislative/Public Affairs for VNAA</i>	Poor	Fair	Good	Excellent
Expertise of individual presenter.				
Appropriateness of teaching strategies.				

<i>Evaluation of Presenter: CMS Representative</i>	Poor	Fair	Good	Excellent
Expertise of individual presenter.				
Appropriateness of teaching strategies.				

<i>Teleconference Evaluation:</i>	Poor	Fair	Good	Excellent
To what extent was the program conducive to learning?				
Was the educational material on the VNAA website easy to access?				
Will the student material facilitate your teaching process?
